WEEKLY RECAP

May 9, 2016 – May 15, 2016

Larceny in a Building (16-4376)

On May 10th a Farmington resident on Schulte reported a larceny in a building that occurred during an estate sale. The reporting party stated that some jewelry was found to be missing. Investigators are following up in an effort to locate the missing jewelry.

Embezzlement (16-4479)

On May 12th a Farmington area business owner reported that a known subject, an employee, stole approximately \$27,000.00 in specialized merchandise. The merchandise was located and Investigators are currently working with another jurisdiction to recover the property. Investigators are also conducting interviews and reviewing surveillance video to build a case against the subject(s) involved.

Using Internet for Harassment (16-4542)

On May 14th a Farmington resident reported that she began receiving text messages from unknown men soliciting dates. It was determined that someone posted two online profiles which contained the reporting party's picture, name and personal cell phone number. The subject responsible is believed to be known and Investigators are working with the online sites to build a criminal case against the subject(s) responsible.
