WEEKLY RECAP

September 12th, 2016 – September 18th, 2016

Suspicious Circumstance

On September 13th officers were dispatched to the parking lot of the Village Commons Shopping Center, for a report of two males arguing. It was also reported that one of the males had a baseball bat. Officers arrived on scene and conducted an investigation and learned the argument was between a business owner and his former employee. The argument concerned the former employee's back wages and was resolved between the two. The business owner did not want to pursue charges.

Larceny from Automobile

On September 13th officers were dispatched to an address on Lakeway St. for a report of someone going through a parked vehicle. Officers arrived in the area and were able to locate the suspect and detain him. The suspect was positively identified by the caller and was arrested. Further investigation determined that nothing had been taken from the vehicle. The suspect was charged with disorderly conduct.

Larceny from Automobile / Recovered Stolen Property

On September 14th officers were dispatched to Shiawassee Park on a report of a larceny from a vehicle (LFA). Officers arrived on scene and learned that a woman had parked her car in the parking lot for approximately one hour while at the park. When she returned to her vehicle she noticed her driver's side rear window had been smashed out. An inventory of the vehicle showed that her purse had been taken. Officers canvassed the park for investigative leads. During this canvass numerous credit cards, several women's wallets, and a necklace were found in a nearby trash can. A computer check showed these items had been stolen in LFA's in West Bloomfield, Oakland County, and Canton. Follow-up with these agencies was conducted.

Operating Under the Influence of Narcotics

On September 15th our officers were alerted by Farmington Hills Police Units that a suspicious vehicle had just left their employee parking lot. A Farmington officer located this vehicle in the area of Farmington Rd and Shiawassee St. The vehicle was traveling with no headlights on. A traffic stop was made and subsequent investigation revealed the driver was under the influence of prescription medication. The driver was arrested for operating a vehicle under the influence of narcotics and lodged at the Farmington jail.

Felony Warrant Arrest

On September 18th a Sergeant stopped a vehicle for conducting a prohibited turn at Grand River Ave. and Farmington Rd. A computer check of one of the passenger showed he had a felony child neglect warrant out of the Michigan Attorney General's Office. The subject was arrested and held for pickup at our facility.
