On May 10th a Jamestown Apartment resident reported that sometime overnight an unknown person had entered her unlocked vehicle and stole her handgun that she had under her front seat. The weapon was entered as stolen and the incident was forwarded to the detective bureau for further investigation.

Fail to Pay

On May 11th an officer responded to the Crazy Crab Restaurant for a report of a customer leaving without paying their bill. Burglary

On May 14th an officer on patrol attempted to stop a black Lincoln MKZ on Grand River Ave for speeding. The driver refused to stop for the officer and fled the scene. After a pursuit reached high speeds, the chase was terminated due to traffic safety concerns. At approximately the same time, a burglary alarm at the Marathon Gas Station on Grand River Ave activated. Officers responded to the alarm and noted that the front window was smashed out and the cash drawer taken. Officers noted blood all over the front counter area and a review of the surveillance video revealed that the suspect was the same driver that had fled from officers earlier. Officers from the South Oakland Narcotics Intelligence Consortium located the suspect hiding in a nearby apartment complex parking lot. The suspect had severely cut his hands in the process of burglarizing the business, so he was transported to Beaumont Farmington Hills for stitches. The suspect is being charged with fleeing and elude and burglary.
