SUMMARY OF NOTABLE INCIDENTS

Odor Investigation

On March 22nd Officers and Engine 1 responded to the Medilodge Nursing Home on Grand River Ave for a report of an odor of natural gas. Upon arrival officers located the odor of gas emitting from the kitchen area. Officers located a stove whose pilot light had gone out and was leaking natural gas. The gas was turned off to the stove and the room aired out.

Hazardous Conditions

On March 26th at approximately 5:26 PM officers and Engine 1 responded to the 36000 block of Freedom to a report of a severed gas line. Upon arrival officers learned that a homeowner had been trying to address a drainage problem on his property by digging a trench with a backhoe. The homeowner failed to notify MISSDIG about the planned digging and had accidentally severed a gas line. Consumers Energy was contacted and the scene was turned over to them.

Assault

On March 27th at approximately 6:45 PM officers responded to the Zap Zone on Grand River Ave for a report of a group of people fighting. While enroute officers learned that one of the individuals involved had fled the scene in a red minivan. Officers arrived on scene and learned that all of the involved parties had fled the scene. Officers did track down the individual in the red minivan to learn that he was at his daughter's birthday party when he was assaulted by his daughter's mother's family. The victim does not know the name of the family members nor the last name of his daughter's mother. The incident was turned over to the detective bureau for further investigation.
