SUMMARY OF NOTABLE INCIDENTS

Larceny

On June 20th a Farmington resident reported that an unknown person had stolen her son’s bicycle from the bike rack at Drake Park on June 13th. The resident advised that she assumed that someone accidentally took the wrong bicycle home and was hoping that person would return it to the bike rack. Once a week went by and the bicycle wasn’t returned, the resident decided to report the theft.

Possession of Stolen Property

On June 23rd officers responded to the Ollie’s Discount Retail Store for a report of a male attempting to return a stolen air conditioner. Upon arrival officers spoke with management to learn that the male had stolen the air conditioner from his ex-girlfriend’s house in the City of Detroit. The ex-girlfriend had reported the incident with the Detroit Police Department and then called Ollies to warn the store that the male may attempt to return the appliance for cash. Officers interviewed the male who advised that he did take the air conditioner from his ex’s house and wanted to return it for money. The man was issued a citation for being in possession of stolen property and was released on scene.
