

# Farmington Vision Plan: **VISIONING MEETING 2**

You are invited to attend the second meeting for the Farmington Vision Plan. The Vision Plan is an opportunity for the community to actively participate in developing Farmington's future. The first meeting focused on getting organized, and thinking big! At this meeting we will roll up our sleeves and begin to dig down into specific topic elements. Big, small, and visionary ideas will be discussed in an interactive setting. Your input counts so please join us...at the meeting...or online.
